2016-17 Annual Campaign Underway

United Way of Blair County officially kicked off their 2016-17 campaign with a breakfast on Thursday, August 11th at Marzoni's in Duncansville. More than 75 supporters were in attendance including Employee Campaign Coordinators (ECCs), company representatives, local politicians, and the media. The program consisted of opening remarks from Brittany Solomon, Development Director, a celebration of our accomplishments in 2015 from Melanie Shildt, Executive Director, remarks from two impact grant recipients, and the importance of advocating from Board President Jonathan O'Harrow.

The morning ended with Brittany Solomon introducing a number of new items including this year's campaign theme "Change Begins With You," the return of the infamous thermometer, the addition of individual [leadership level donor acknowledgment](#) to our website, and the debut of our new [Workplace Campaign Resources](#) page dedicated for ECCs.

Thank you to our host sponsor, Marzoni's & Hoss's Corporation, and to all the businesses that donated items for our goodie bags and door prizes.
